The Push Button UDC™ Padded Bungee Sling is a dedicated single point sling that is both fast and comfortable. The UDC Sling has 2" inline padding, similar to the Padded Vickers Slings, for extra comfort that end in two sections of bungee. The bungee has a travel of approximately 2" - enough to absorb shock from movement or transitions but short enough to reduce the risk of facial injuries or sagging weapons. The overall length is adjustable, ambidextrous, and compatible with use over body armor.

Weight	176g
Part #	UDC-200-BG-PB-XX
Size	2" padding for extra comfort
Features	
Push Button attachment points for weapons with rear mounted push button sockets	Other attachments available
Materials	
Invista Solution CORDURA® webbing	TEX 90 bonded nylon thread
